

# Meet CareerBee

Your personal AI career companion **EARLY ACCESS COMING SOON**

## Congratulations!

You just took the first step towards a smarter, more supported career journey - be part of our **exclusive early access**.

## Who's CareerBee?

CareerBee is an AI agent that:

- ✔ Understands your goals
- ✔ Captures your achievements
- ✔ Helps shape what comes next

It continuously learns from your projects, feedback, and patterns to guide your professional growth.

### Living Resume

Keeps your profile current, automatically tracking your achievements and keeping your personal profile ready for the future.

### Opportunity Butler

Unlocks better-fit opportunities based on your goals and strengths.

### Credibility Builder

Captures your strengths with skills tests and video assessments that set you apart. Empowers you to grow professionally and stay visible.

### Talent Agent

Curates your professional portfolio and empowers you to stand out.

At Workerbee, we believe specialists deserve more than job boards and ghosted messages. That's why we created CareerBee — your personal AI agent, built to evolve with you and advocate for your growth.

## What's Next?

As a part of **your exclusive early access**, here's what you can expect:

- ✔ You've claimed your spot. Soon, your CareerBee will be in training. You'll be among the first to activate when we go live.
- ✔ Get a first look at your evolving profile and see how Workerbee is shaping the future of specialist work.
- ✔ Regular updates, sneak previews of new features, and exclusive invites to feedback sessions.
- ✔ Be the first to receive opportunity matches – before CareerBee is opened to the public.

**"If you're here, you're early. That means you're in the right place."**

Heiko Roth, Chief Workerbee
